Treasures

Foreword

When the last strains of "Pomp and Circumstance" fade away and the seniors have received their diplomas, the records of another school year pass into the realm of history.

The year 1950 has been filled with many colorful and memorable events. To some the thrill and suspense of that all important conference football or basketball contest will be the most outstanding event of the year. To others their first date or their first venture on the dance floor will be the moment they'll never forget.

Each year we experience events of joy, sadness, and great expectations which are recorded in the mind's treasure chest until reflection on them at a later time recalls them to mind.

It is the sincerest hope of the staff of the 1950 Chieftain that in future years when you are thumbing through its pages, the book will become a magic key which will open the past and call to mind the many invaluable Treasures of 1950.

Dedication

To Mr. B. L. Wertz, whose untiring efforts have done much through the past three years toward creating a more complete all around education for the students of Central High, we the staff gratefully dedicate this 1950 Chieftain.

Dear Mr. and Miss Senior:

Your progress through your twelve year school program shows a definite trait in your character which is very important to your success in future years. You are to be commended highly for your educational accomplishments up to the present. CLASSES

SENIORS

Class Of 1950

The senior class of 1950 climaxed a three year period of activity as it performed the time-honored traditions of graduation.

Chosen as the officers of the class were president, Bob Swindler, vice-president, Betty Rogers, secretary, Jean Fink, treasurer, Leroy Crossland, and senior councilmen, Carl Ream, Willie Mae Lange, and Ray Smith. Bob Noever and Gorma Woolard were chosen during the first quarter as president and vice-president of the student body.

The class presented as their traditional senior play, "When I Was Nineteen" and combined their talent with the juniors to enact "Berkeley Square", an English drama. Twenty seven members of this class were chosen as members of the National Honor Society. Cynthia Dorwart won the DAR Good Citizenship Award and Betty Cox and Bob Noever won the trip to the Career Conference at Oklahoma University. Joe McKinney won the essay contest on "Socialized Medicine" and Virginia Burgeson won a contest sponsored by the American Legion.

As juniors, individuals of this class were the charter members of the An-Nah-Vi-Sun chapter of the Oklahoma State Honor Society. The class presented as their play "What a Life" and joined the seniors to present the junior-senior play, "The Barretts of Wimpole Street".

As sophomores the class presented two plays, the first a drama of the Elizabethan period, "The Queen's Christmas" and the sophomore class play, "A Little Honey".

The class brought to a close their three years at Central with their annual picnic at Greenleaf, the senior banquet, the Baccalaureate Services, and that all important occasion, Commencement.

IN MEMORIAM

Mary Alice Blakemore

Born-July 17, 1931—Died January 12, 1948

I cannot say, and I will not say
That she is dead. She is just away
With a cheery smile, and a wave of the hand,
She has wandered into an unknown land
And left us dreaming how very fair
It needs must be, since she lingers there.
And you -- oh, you, who the wildest yearn
For an old-time step, and the glad return,
Think of her faring on, as dear
In the love of There, as the love of Here.
Think of her still as the same. I say,
She is not dead -- she is just away.

The pool table certainly was a popular place during the all-school mixer held at the YMCA. Max Boydston, Charles Guigon, Jim Clark, David Shelton, Lee Tinsley, Lee Roy Boudurant, and Dick Sprak, certainly did have a fine time.

Class Of 1951

From left: Smith—Secretary: Kurt Burris

With its two big objectives in mind, that is, the production of its annual class play and the junior-senior prom, the Junior Class met in September and elected Larry Maddin, president, Marjorie Love, vice president, Lahoma Smith, secretary and Kurt Burris, treasurer, and Mrs. O. T. Gilbertson, sponsor.

The first of its objectives was reached in February when the class presented their annual play, this year, the famous Bob Hope comedy-farce, "Nothing But the Truth," which was climaxed with a ticket selling contest in which Jeanne Garmon was chosen Junior Class Sweetheart over sixteen contestants on the basis of the most tickets sold in her favor. Since the show proved to be a big financial success, the juniors raised enough money with this one event to pay for the prom.

In addition, the junior class was co-sponsor of the Junior-Senior play, "Berkeley Square," in January, and several members of the class were leaders in the annual Curtis Sales Drive.

At the prom in May, the class presented one of Central's most outstanding proms which was highlighted by the annual grand march which was led by the Junior Sweetheart and the Senior Class president.

Class Of 1952

President: John Ferry—Vice Pres
Secretary: Powell Douglas

The Sophomore Class of 1949-50 being the largest sophomore class ever to attend Central, have taken a large part in all school activities. Besides taking part in Red Cross and Student Council, they sent two debate team members, Forney Sandlin and Wesley Hornback, to represent Central along with the Seniors. Powell Douglas was the only sophomore on the varsity basketball team.

The sophomores also presented as their very successful sophomore play, "The Life of the Party."

In the Curtis Sales Magazine Drive, the sophomores really stole the show. One of their homerooms took first place, as well as two members of their class, Joe Eddins and Mark Schooler, who took the two top honors for high salesmen.

The sophomore class sponsor is Miss Buena Vista White and its officers were: president, Joe Williams; vice-president, John Ferry; secretary, Robert Burris; treasurer, Powell Douglas.

The Central High School student council under the very capable guidance of Mr. B. L. Wertz, principal, is composed of a representative and an alternate from each home room. Both the representative and alternate must be dependable and qualified to present their ideas, voice their opinions in school matters to the council and to take back to their home-rooms the decisions of the council.

The council functions as a House of Representatives with Earl Eddins, Speaker of the House; Betty Rogers, Speaker Protem; and Margie Love, Secretary. The main objectives of the council are to promote the welfare of the school in every way; to instill a feeling of greater devotion and loyalty into the members of the organization in the school; and to develop democratic ideals for the future citizenship.

This year the council did an excellent job in supervising the students in the cafeteria

Council members were host to the Crack Squad at a banquet given in their honor, March 1, 1950. A float was entered in the Mardi Gras parade by the Student Council.

Council members Margie Love, Gorma Woolard, David Shelton and Earl Eddins represented Central at the Federation of Oklahoma School Student Council's ninth annual convention in Madill, Oklahoma, December 1, 2, 3.

Students serving at least one term on the council were: Joe Williams, Dick Collins, Johnny Ferry, David Shelton, Dale Thomas, Buster Salyer, Dick Storts, Eddie Coon, Hardy Summers, Lee Roy Bondurant, Clifford Rich, Phil Webb, Bill Knowles, Leck Dougherty, Roy Smith, Bob Noever, Joyce Alexander, Joyce Demuth, Mary Ann Collins, Bonnie Putty, Gaye Layne McReynolds, Barbara Putnam, Betty Brown, Aileen Cook, David Horns, and Ray Fisher.

The Anavisu Chapter of the Oklahoma State Honor Society was organized at Central in 1949 for the purpose of stimulating higher scholastic achievement in the underclasses. Membership in the society is limited to juniors, who are in the upper ten per cent of their class

Some activities of the society members have been the publication of the green and white student directory and the cleaning of the trophy cases

Thirty-one charter members were initiated into the club last year and the following officers were selected: Joe McKinney, President; Cynthia Dorwart, Vice-president; Eleanor Hacker, secretary; Betty Jean Cox, Treasurer

Delphic

MISS MARY NEVITT, President
MISS EDNA MATTHEWS, Secretary
MISS MAXINE PHILLIPS, Treasurer
MISS ANNA BINGHAM, Program Chairman

Delphic Literary Society was organized in 1918 with only eight girls reporting for the initial meeting. The group was composed of girls who were interested in public speaking and debate.

During the past thirty two years the society has evolved somewhat and today the girls turn their attention to charitable projects, rather than debating.

This year the members of Delphic prepared a Thanksgiving basket for a needy family. At Christmas the girls had a party carrying out the holiday motif. A skating party was given by the members in February.

The social highlight of the year was the annual banquet when the group bade farewell to their graduating members.

Delphic officers for the year were Earnestine Wells, president; Mary Nevitt, vice-president; Edna Matthews, secretary; Maxine Phillips, treasurer, and Anna Bingham, program chairman. Miss Dorothy Thompson and Miss Dorothy Stookey were the sponsors of the society.

Entre Nous

In 1911 Mr. John W. Erwin organized a club for the purpose of encouraging original literary composition. This was the birth of the oldest literary club in Central High School—Entre Nous. The name means "Between Us."

Each Thursday morning before school this year the members of Entre Nous met in Room 303 with their sponsor, Mrs. T. H. Moore and co-sponsor, Miss Bertha Stebler.

Their 1950 programs were centered mainly around the study of the everyday problems of the teen-age girl and discussions on co-ed and women's colleges.

Charitable projects undertaken by the members of Entre Nous this year include the preparation of a basket of food for some needy family at Thanksgiving, and dressing thirteen dolls which were given to the Gospel Rescue Mission for distribution to children who had none.

Social activities of Entre Nous are highlighted by the annual banquet near the end of school at the Pioneer Room of the Severs Hotel. Various other "get togethers" were held from time to time during the year.

Membership in Entre Nous for the school year 1949-50 was thirty-seven. Officers included Ann Duca, president, Ann Ferry, vice-president, Barbara Haines, secretary, Christina Poulos, treasurer, Barbara Gibson and Mary Garrison, program chairmen.

Key Club

The Central High School Key Club was organized in 1947 by the Kiwanis Club of Muskogee, Oklahoma for the purpose of teaching boys of high school age how to meet the responsibilities of a civic club and to carry out a program in the school which would parallel in a small way the program of their paternal organization.

The qualifications necessary for membership in the organization are good character, leadership and initiative. At the beginning of the 1949-50 school year, thirteen new members were voted into the organization.

Soon after the new members are chosen, the annual Key Club banquet was held with all club members and their dates attending. A line party at the Ritz completed the evenings activities. In April, a spring dance was held at the Country Club to round out the year.

The club, directed by Jim Parker, chose the following officers for this year: Lee Roy Bondurant, president; Earl Eddins, Jr., vice-president; Charles H. Guigou, secretary; and Wilson Durham, treasurer.

Future Farmers

The Future Farmers of America is a national organization first organized in 1928 in Kansas City, Missouri. There are over 13,000 future farmers in Oklahoma and 300,000 in the United States

The Muskogee Chapter of future farmers was first organized this year under the direction of Gene Beach. The local club envelops a vocational program for farm boys who are primarily planning to go back to farming and dairying after graduation from high school

Each F. F. A. member must have several projects during the year. The most popular among the boys seemed to be raising livestock. Ten boys had registered swine breeding projects and two boys had registered beef projects

Each year the F. F. A. members participate in stock shows and judging contests. Jim

Mr. Beach, Sponsor; Dale Gilbert, Ernest McCullum, Ronnie Duncan, Leonard Howdeshell, Herbert Hurd, and Jim Bradley

Bradley raised a champion holstein cow which was awarded the first place ribbon at the Oklahoma Free State Fair in October of 1949. Not only being good farmers, the F. F. A. boys are also excellent salesmen. They won a wire recorder and a radio by selling subscriptions to the Southern Agricultural magazine and in February they sponsored a donkey basketball game and raised enough money to buy a pick-up truck

The twelve aims of the chapter are leadership, character, sportsmanship, co-operation, thrift, service, scholarship, better farming, recreation, citizenship, honesty, and patriotism

The officers of the Muskogee chapter are Leonard Howdeshell, president; Jim Bradley, vice-president; Ernest McCollum, secretary; Ronnie Duncan, treasurer; Dale Gilbert, reporter; Herbert Hurd, sentinel

Future Homemakers

The Future Homemakers of America is a national organization of girls who are studying home economics, and who are interested in preparing themselves to meet more ably the tasks of every day life in the home

The Muskogee Central High Chapter was organized in 1948 and is under the faculty sponsorship of Mrs. Mae Nickens and Mrs. Dorothy Boen

In accordance with their motto, "Toward New Horizons", the club's activities for the year were begun with the election of officers: Betty Jo Barham, president; Doris Montz, vice-president; Barbara Grider, secretary; Valda Mae Sherman, treasurer; Shirley Ann Hansen, historian; Mary Pat Pate, song leader. The formal initiation and installation of new officers and members was held in October

A Christmas party climaxed the Yuletide season. During February, the FHA girls sponsored a basketball game between the Gremlins and women faculty, a pot luck supper, and they packed a box of supplies for a home-ec class in Italy

The Mother-Daughter party, held in March, was the highlight of the year. The club rounded out the year's activities by sending delegates to the State Rally of Future Homemakers held at Oklahoma City in April.

Future Teachers

The Emma Willard Chapter of the Future Teachers of America was organized here at Central in 1949 by Miss Zella Morton. The purpose of this nation-wide organization is to promote better instructors for the public schools of America. The girls work and study under the motto: "Service", and meet five days a week on the fourth hour in room 406.

Aside from studying various books on teaching, the girls got actual experience by substituting for teachers in the grade and junior high schools. Members also attended meetings of the Class Room Teachers Association of Muskogee.

A rummage sale was held by the girls for the purpose of raising enough money to pay their membership fees in the Oklahoma Education Association. Later in the year the girls sold all-occasion greeting cards to finance each member's trip to the state convention.

The Muskogee Chapter was represented at the state planning conference by two members, Joy Butler and Monte Bright. Central's chapter sent twelve girls to the Oklahoma Convention at Norman, April 26.

Distributive Education

The Distributive Education Club of Central High School meets the first Monday of each month at 7:30 p. m. under the direction of Mrs. P. L. Gassoway. After taking care of their regular business, the students listen to lectures by a prominent merchant.

The purpose of the Distributors Club is to develop such qualities as leadership, high ethical business standards, an intelligent choice of an occupation, and a respect for vocational education.

Members of the Distributors Club take regular class work in the morning, which makes it possible for them to apply for a part time job. The Distributive Education course and job together give a student two regular units as well as developing his ability along future business lines.

Central's club held the annual banquet at which the students played host to their employers on February 2, and ended the year's activities with a picnic at Greenleaf Lake during the month of May.

Club officers for the year were: George Wright, president; Barbara Winn, vice-president; Frances Ann Scudder, secretary; Abie Kaplan, treasurer.

Trade & Industrial Club

The Muskogee Chapter of the Trade and Industrial Club of Oklahoma is composed of students enrolled in one of the six trade classes, which include machine shop practice, cabinet making, printing, auto mechanics, commercial stitchery, and diversified occupations.

Objectives of the club are: to develop leadership, stability, self-confidence, promote scholarship, friendly and co-operative spirits and to provide social and recreational activities.

Their project in Muskogee this year has

been the making of group visits to various local industrial plants, such as Oklahoma Gas and Electric River Bank Power Plant, the Co-op Commercial Fertilizer plant and the city's new up-to-date water purification plant. These visitations have been under the direction of C. E. Paul, local T & I supervisor.

The club is run by departments. Each group had its own set of officers and its own sponsor.

The motto of the T & I Club is:

"He that hath a trade hath an estate."- Ben Franklin

Cynthia Dorwart—President; Larry Maddin—Vice President; Wanda Bolton—Secretary; Joe McKinney—Treasurer; Marjorie Love—Corresponding Secretary

The year 1949-50 increased the accomplishments of Central's Red Cross under the direction of Mrs. Dorothy Boen, faculty advisor. Officers included Cynthia Dorwart, president; Larry Maddin, vice-president; Wanda Bolton, secretary; Joe McKinney, treasurer; and Marjorie Love, corresponding secretary.

Noted as a philanthropic organization, the Red Cross carried out a number of activities designed to, "Render service to others in their home, community, and country." The first project of the year was the membership drive conducted in October which netted fifty-four dollars. Pencils with the basketball schedule printed on them were also sold by the members.

Red Cross members decorated the Veteran's Hospital Christmas tree and packed gift boxes for wards of the state. The group held a Valentine Party at the Veterans Administration.

Much credit goes to the various committee chairmen who outlined the year's activities.

Library Club

Central's Library Club was organized this year under the direction of Mrs. Alma Doughty with some lighter library science enthusiasts in the group. Members of the club work and meet together for the purpose of creating greater interest among student librarians.

Besides their regular work in the library of shelving books, filing cards, and checking out books to fellow students, members of the club met on the second Tuesday of every other month for a social function. At these meetings, the group held panel discussions, listened to reports, and discussed various ways of improving the school library.

For the past year, officers of the club have been: Vera Jean Fuller, president; Kay Mowery, vice-president; Barbara Grider, secretary; Donna Golden, treasurer; Betty Rogers, reporter.

Speech Club

Central's newest club, the Speech Club, was organized last September for the purpose of promoting educational and social activities among those students interested in speech education. Although one of the younger organizations in school, it proved itself this year to be among the most active

While membership was limited to those who had portrayed major roles in dramatic productions, students who had been active in forensics, and those who assisted in some manner with radio programs, fifty students met on September 19 and organized the club. It was agreed upon by those present at the organizational meeting that the purpose of the club would be to assist the school in all speech undertakings, including public speaking activities, drama, radio, and interpretation, as well as to encourage the development of speech education throughout the community

Those elected to guide the club's activities were Carl Ream, president; Jackie Kahley, vice president; Bob Reitz, treasurer; Rita McGrann, secretary; Virginia Burleson, executive advisor to the president, and Mr. J. W. Patterson, faculty sponsor

The club's first major activity of the year was the production of the all-school play,

Price, Jackie Kahley chat over punch at

"Night of January 16th" which showed to two full houses on October 21 and 22. Following the closing performance the group entertained with a reception at the house of Dick Spraker, which was attended by speech educators from Tulsa University and Northeastern State College

In addition, the Speech Club held numerous social events including parties, teas, receptions. In March, the club assisted the debaters with their annual speech tournament and along with the National Forensic League sponsored the awards banquet in May. The year's activities were climaxed with the sponsor's reception for the speech department and the party given by the sophomore and junior members for the senior members

Scout

By shaving copy two regular periods a day, and countless irregular ones, from reporter to editor to print shop, the Scout staff met deadlines on twenty-eight publications this year proving journalistic work to be a continuous job. One week's issue was not off the press before the next week's paper was being arranged.

The Scout, which is a weekly publication, was published through the combined efforts of both the junior and senior journalism classes. Much credit goes to Mr. A. J. Geymann and the boys in the print shop and Miss Elizabeth Bonnell, sponsor, upon whose guidance the success of the staff and its product was entirely dependent.

Staff members attended several conferences and clinics during the past year and sent three delegates to the NSPA convention in Chicago.

Members of the Scout staff are as follows: Editor, Bob Lomax, Associate Editor, Willie Mae Lange, News Editor, Jean Arnold, Feature Editor, Anita Wood, Sports Editor, Robert Buster and Jake Weiland, Exchange Editor, Jeanne Williams, Headline Editor, Betty Englert, Cartoonist, Bob Noever; and Photographer, Earl Eddins.

Business staff included Advertising Manager, Ray Smith, Circulation Manager, Lee Roy Bondurant; Auditor, Bob Caskey.

For the past 42 years the Scout has been published under the motto, "Service and Truth." Appearing first as a monthly magazine in 1908, the Scout became a weekly paper in 1925 and has remained that, being distributed every Friday afternoon on the sixth hour.

Centra can be justly proud of the Scout. In the years previous to 1949 the Scout received the highest rating possible, that of All-American twice. Last year the Scout was rated All-American both semesters.

Always on the job, the Scout is ready to boast of the schools undertakings, bringing about a feeling of co-operation and friendliness among the student body and faculty.

FORENSIC

Although it was without a single letterman from the championship squad of 1948-1949, the debate team took numerous honors throughout the state this season.

Under the coaching of J. W. Patterson, whose teams the year before won six championships throughout the Southwest, the senior debating team was composed of Rita McGrann and Virginia Burleson, and the junior team of Forney Sandlin and Wesley Hornback.

Those who participated in various individual events throughout the year included Bob Rietz, Dick Lathrop, Cynthia Price, Pat Myers, Mary Cole, Charles Guigou, Larry Maddin, and Joy Butler.

The debators attended tournaments at

Coffeyville, Kansas; Oklahoma City, Miami, Tahlequah, Ada, Edmond, Dallas, Texas; Shreveport, Louisiana; and the state Tournament in Norman.

In addition, the squad was hosts to speech students from throughout the state on March 3 and 4 at Muskogee's first annual speech tournament.

During the year, the senior team made numerous appearances before various civic clubs and presented a radio debate in April.

The purpose of high school debate is to cultivate within the student a power of self-expression, as well, as a thorough high school background in economics, current events, government, and history.

Radio Speech

"Rougher's Talk", in its second year of broadcasting over local radio stations, this year was heard twice weekly for the purpose of acquainting the community with the activities of Central students.

With Dick Lathrop doubling in brace as radio editor and sports reporter, the program gained in popularity with its two special features, "Predictions of Things To Come," and "Dirt from Girt," the gossip column.

Editors of the show included in addition to Lathrop, Christina Poulos, society; Tillman Ryser, student activities; Betty Herring, news; Pat Taylor, administration, and Don Ream and Mary Ellen Ritan, Sophomore representatives.

Activities for the broadcast were conducted through the radio speech class under the supervision of Mr. J. W. Patterson.

During the year the class assisted the local Red Cross in their drive for financial support from the community, presented the annual Christmas play, "The World's Greatest True Story," and directed the activities of a radio show, "The Best Year's of Our Lives" in April.

Membership in the radio speech class is limited to superior students who show definite ability in speech and Journalism activities.

Make-Up Club

The Make-up Club of Central High School sponsored by Miss B. V. White was organized several years ago to further students in the fundamental principals of the art of make up and give training to those who are interested in the art of make-up in either an amateur or a professional way.

This organization, composed of sophomore, junior and senior members met regularly and gave demonstrational lessons for the purpose of teaching each student to obtain different effect with the use of make-up materials needed in every stage production.

The activities of the club have been to make-up the characters in each of the five major plays presented at Central.

The officers chosen for this year were Monte Bright, president; Leck Dougherty, vice-president; Ann Hardin, secretary and treasurer; Jackie Kohley, senior chairman.

Stagecraft

The Stagecraft Club of Central High under the supervision of J. T. Huckstep, was organized in 1944 for the purpose of setting the stage appropriately for the assemblies. Since the time of its organization it has been the club's goal to construct scenery each year for all the class plays.

Besides setting the stage the boys operate the lighting, set up the loud speaking system and arrange the chairs for assemblies presented in the boys' gym.

Special recognition should go to the club for the excellent job they did in arranging the beautiful background scenery for the Christmas assembly this year.

The key word of the club is "Synchronization."

Central High School Band

Whether you are attending a Rougher football or basketball game, a pep assembly, or any other major activity of Central High School, you will always find present the Central High School Band. This year, the band is under the capable direction of Mr. Kenneth Parker.

The Central High School Boys' Band was organized in 1922 by Mr. Anton Goetz, who developed Central's instrumental music system during his twenty-five years as band director.

The band this year, besides having appeared at all the school's pep assemblies and football and basketball games, has appeared at all the class plays, several informal concerts at school, the Armistice Day celebration, the Oklahoma Free State Fair, and the Veteran's Hospital. They marched in the Christmas parade and threw a big party for the visiting Ft. Smith band members when they came to Muskogee for the Ft. Smith-Rougher football game this last fall. This spring they attended several contests and band clinics.

An outstanding event of the year was the coronation of their beautiful queen, Jeanne Williams.

The 1949-1950 officers of the band were President, Don Stacy; Vice-President, Lee Roy Bondurant; Secretary-Treasurer, Joe McKinney; Librarian, Allen Sonders; Sergeant-at-Arms and Quartermaster, George Taylor; and Drum Major, Louis Barnett.

Football "Greenies"

In part the success of the A squad depends on the B squad boys who attend practice and who not only work toward developing themselves into a smooth operating ball club, but also scrimmage the A squad in order to help keep them on their toes and in shape through the season between the regular games.

This year the Greenies finished their gridiron matches with a record of four wins and five losses.

With eight returning lettermen from the 1948-49 state championship squad, Coach Paul Young's Muskogee Roughers set the gridiron stage for another outstanding season.

With several weeks of hard grinding practice under the brilliant August sun and two weeks at the first of the school year the Roughers entered the first game of the season on September 16, opposing the Northeastern State Teachers "B" squad. The Rougher Ironmen emerged victorious 30-0

before a packed stadium at Indian Bowl

Following their opening victory many Muskogeanans traveled with the Roughers to McAlester on September 23 to see them take their second straight win, 27-7.

While the first two contests had much color, it wasn't until the first conference tussel against Tulsa Webster on September 30 at Indian Bowl that the squad showed its real potential strength coming out on the long end of the count, 13-7

With three victories behind them going into the second conference contest, the Roughers met the Bartlesville Wildcats at Indian Bowl on October 7. Cheered on by the Muskogee football fans, the Roughers swamped the Wildcats 29-0.

Taking to the road again, the Muskogee aggregation moved to Okmulgee to meet the Bulldogs at Harmon Field on October 14, under the capable leadership of their field general Fay Treadway, the Roughers took their fifth straight win 27-6.

The following week, on October 21 the Rougher squad travelled to Tulsa to meet the Roger's Ropers at Skelly Stadium. Battling hard, the locals dropped their first contest to the Ropers 25-19.

During a lapse in conference play, the Roughers entertained the Fort Smith Grizzlies on October 28 at Indian Bowl. The locals mauled the visitors 35-7.

The Roughers having dropped the contest to the Tulsa Ropers, slipped into second place in the conference standings.

Standing second place in the conference, the Roughers met the Tulsa Central Braves in the local stadium on November 4. The green and whiter putting everything they had into

the game, emerged on top 25-12, and regained their lead in District 6-A conference play when the Ropers dropped their game to the Webster Warriors on the same evening.

With only one game between them and the conference crown, the Roughers invaded Sapulpa to meet the Chieftains in the do or die conference tilt on November 11. Trailing 14-7 at the half in what looked like a hopeless game, the Roughers returned to the field and again to beat the Chieftains in the second half 25-14 in the most thrilling game of the season.

Returning home the Roughers practiced for another week in preparation for the next tilt with the Henryetta Hens at Henryetta. The Hens proved no match for the locals as they triumphed over the Henryetta eleven 19-0.

Entering the quarter-finals of the state play-offs, the Roughers met the Seminole Chieftains for the second straight year in a similar situation. The locals fighting hard to defend the state crown they had won the year before, dropped this all-important contest to the visitors 13-7.

This ended the 1949-50 football season with a record of ten wins and one loss and having won the 6 A conference crown in one of its toughest years.

Keyed up and in shape for their first contest, the locals took to the road to meet the Ft. Smith Grizzlies in the opponents gym on December 13, from which the Roughers returned victorious 46-37

The following week the Muskogee roundballers met the Fayetteville Bulldogs in the first tilt of the season on the home court. The Roughers emerged with a second win 45-28

Continuing their home stand, the Hopkinsmen met the Seminole Chieftains in the third game of the season, and paced by ace Rougher guard, John Hudson, trounced the opponents 48-28

Crack Squad

Buy a yardstick? Well, how about a megaphone or maybe some delicious candy? The Crack Squad really went on a selling spree this year!

The Crack Squad which is the marching organization of the pep squad was organized in 1945 by Miss Margaret Wilson, for the purpose of adding more pep and spirit to the athletic functions of Central. The group composed of fifty junior and senior girls under the leadership of Miss Dorothy Moore, marched with the Central High School Band during the half-time of every football game this year and the squad's performance at the Fayetteville-Muskogee basketball game was an annual affair.

At the close of football season the Crack Squad gave a weiner roast for the band boys and their director Mr. Kenneth Parker.
